### Incorporated Engineer courses

The Degree Apprenticeship (DA) is designed to provide the underpinning knowledge (K) for an apprenticeship standard which can be at Level 6 or 7. The degree structure will either be Non-Integrated or Integrated as defined by the Institute for Apprentices (IfA) but the content must map to the JBM and Engineering Council degree guidelines.

The degrees in this listing have been accredited against standards set by the Institutions of Civil, Structural and Highways & Transportation Engineers, the Institute of Highway Engineers and endorsed by the Engineering Council.

Graduates from these programmes will:

1. Fully satisfy the educational base for an Incorporated Engineer (IEng).

Mode of Course

PT = Part Time

S = Sandwich

Degrees are only accredited at Third Class Honours and above.
